Thomas Falvo joins BASF's Asphalt Performance EMEA team as Senior Technical Marketing Manager

Thomas Falvo, previously Business Development Manager at Ingevity Holdings Sprl. in Cologne, Germany, will succeed Sebastian Miesem as Senior Technical Marketing Manager Asphalt Performance in the E-EDE/BR division of BASF SE as of February 1, 2024.

Thomas Falvo has more than 30 years' experience in the asphalt and asphalt additives fields and will use his knowledge and expertise to further develop the business unit's international focus.

"With Thomas Falvo, we are pleased to gain a proven expert for the increasing need to support international customers in the Asphalt Performance business," says Dr. Mario Sandor, Head of Business Management Asphalt Performance EMEA at BASF SE. "It is a great pleasure for me to strengthen our team with international knowledge and experience in order to offer our customers and partners the best possible solutions and to align our business accordingly".

Further information about BASF's Asphalt Performance products can be found at: www.asphaltperformance.basf.com.

BASF's Dispersions & Resins division

The Dispersions & Resins division of BASF develops, produces and markets a range of high-quality polymer dispersions, resins, additives and electronic materials worldwide. These raw materials are used in formulations for a number of industries, including coatings, construction, adhesives, printing and packaging, electronics and paper. With its comprehensive product portfolio and its extensive knowledge of the industry, the Dispersions & Resins division offers its customers innovative and sustainable solutions and helps them advance their formulations. For further information about the Dispersions & Resins division, please visit www.dispersions-resins.basf.com.

About BASF

At BASF, we create chemistry for a sustainable future. We combine economic success with environmental protection and social responsibility. More than 111,000 employees in the BASF Group contribute to the success of our customers in nearly all sectors and almost every country in the world. Our portfolio comprises six segments: Chemicals, Materials, Industrial Solutions, Surface Technologies, Nutrition & Care and Agricultural Solutions. BASF generated sales of €87.3 billion in 2022. BASF shares are traded on the stock exchange in Frankfurt (BAS) and as American Depositary Receipts (BASFY) in the United States. Further information at www.basf.com.
